Subject: TCEQ Toxicology News: The public comment period for the Ethylene Oxide Proposed DSD has been extended

The public comment period for the Ethylene Oxide Proposed Development Support Document (DSD) has been extended 45 days past the original August 12, 2019 due date.

The new due date for public comments is September 26, 2019. To view the DSD and for information on how to submit comments, visit: https://www.tceq.texas.gov/toxicology/dsd/dsds_about and look for the “New” image.

Update your subscriptions, modify your password or e-mail address, or stop subscriptions at any time on your [User Profile Page](#). You will need to use your e-mail address to log in. If you have questions or problems with the subscription service, e-mail subscriberhelp.govdelivery.com.

This service is provided to you at no charge by the Texas Commission on Environmental Quality. Visit us on the web at www.tceq.texas.gov.
